“ *What a wonderful woman to call my "Auntie"! So much of my life is filled with memories of her and the great times we all shared. The very last words she spoke to me were, "I love you Bobbie". I will miss her...*

“ *As a child and as an adult, I always enjoyed being with Aunt Helen. She made me laugh as a child, and made me think about what is important in life as an adult. She was a great comfort to me near the end of my dad's life almost fourteen years ago. I still remember her words to me at that difficult time. Becky and I loved her sense of humor and her outlook on life. She was an inspiration to us, and we loved her dearly. We will miss sitting with her and remembering special times from the past. Our prayers are with the family today, and will continue to be in the days ahead.*

“ Whitney ,Scott and the Child family , we were sadden to hear about Helen's passing. As we fondly remembered her we were reminded of how she could fill a room with her wit

and humor. Helen has been a good neighbor for 60 years . The Eastern Star family was enriched by her membership and participation. Please have peace and comfort knowing Helen is loved and respected by many who were lucky to have known her.

Fondly , the Keith family.

“ Soon after Jean introduced us to Helen, we invited her to join our family as " our sister, " and she accepted! We enjoyed talking about our lives, Christian faith, fashion, jewelry, flowers, and great books! The shared meals (pizza and sweet treats) were very special. Helen took pride in her appearance, so Jean used her sewing skills to assure that Helen's wardrobe was properly fitted!! This little song reminds us of Helen's bright and happy spirit: " To know, know, know you, is to love, love, love you, and WE DO, and WE DO, and WE DO." We'll miss you..... We'll see you again.... “ *My condolences the Helen's family. We were in the Crimson Cuties Red Hats together for years. She would always dress so glamorously, especially when we went to the venue in Easley. She had a great sense of humor, and we will all miss her.*
