“Helen was my best friend. She has been there for me thru a lot of happy times and sad ones. She was my shoulder to cry on and my laughing partner. I really don't know what I'm going to do without her. The past 35 years has seen some special times and some sorrows. I could always count on her to be there. She is with Woody and family now and even though I feel my heart is breaking I know she is happy. I love you Helen and your memory will last forever in my heart. Vicki, Johnny and family may God give you all peace and comfort during your time of sorrow. And always know that your mother was a very special lady.
