“ I just wanted to come on here and tell you how truly sorry I am for your loss. I met Holden when we were both around sixteen and when he lived two streets down. I always enjoyed bonding over our love of music. Sadly, we lost touch the last few years but I never forgot him. He was such a beautiful soul. So kind and generous. I'll never forget his smile and the way he just lit up a room. He definitely made an impact in this life and brought joy to those around him. My heart goes out to you.

“ So sorry for your lose. Words cannot replace the void you feel. Recall the happy times, the laughter and the smiles and he will be in your hearts forever.

I met Holden when he was spending time at the sailing club with his Dad, Ralph. I remember the big smile on his Dad's face and hearing both of them laughing - simple joys of two 'boys' hanging out on a boat.

Our sympathies to all of Holden's family and friends!

“ One of my fondest memories of Holden is an evening at a church event, we sat and talked at length about Jesus. Holden was excited about what he was learning about Jesus and seeking ways to apply what he was learning to his life. It has been my prayerful hope to hear from him his journey to deeper time with Jesus. My heart hurts for his going. Prayers lifted for his close family and friends.

“*To Sweet Connie and your family, I cannot imagine what you are feeling with the loss of your son, Holden. Although I was not fortunate enough to know him I can only say if he was anything like his mom he had to have been an amazing young man. It saddens me that he was taken at such a young age but we never know Gods plan. I know you trust in the Lord, Dear Connie and Holden is now with his Heavenly Father. We love you and will keep you forever in our hearts and prayers. God bless!*
