“ Today another Star has fallen and we celebrated her life. She will be missed by those who knew her. She was most proud of her children and all the grand children. She was bursting with joy when the twins were born. Before the Eastern Star meetings we gathered around to see the pictures. It was apparent her love was deep for all of them. We pray for all of you. May God continue to watch over you and give you strength in the days ahead. Star Love Fred & Anna Armstrong

“ *We are going to miss Jeanette so much. She was the sister I never had and our birthday was only 6 days apart. We were a lot alike....and she really was family. Through the years the 4 of us had spent many vacation times together. Once we went to New York for Niagra Falls and she wanted to 'swing' by Vermont while we were there. And we did. We loved you Jeanette and you are at peace now, even though we all will miss you terribly. Lee and Jan.*
