“ Yvonne and Rodney I have many fond memories playing in the creek as children at your house. I was able to spend some time with your beautiful mother these last couple of weeks when we visited Doug's Dad at the nursing home. She kept me laughing with her wit and humor. She has truly left you a beautiful legacy.##imported-begin##Kim Pierce##imported-end##

“ Dear Garrett family, Greg and I loved Irene so much, she was in Hope and Rehab with Greg. She always had a beautiful smile on her face, I would go in everyday and made sure I give her a big hug and tell her I loved her. Sunday night I went to take Greg back and she was not feeling good, I hugged her and ask if she was ok and I knew she was not feeling good, but she looked up at me with that beautiful simle and said "I will be ok". Our hearts are so sadden by the loss of our dear friend and to the family we are praying for you because I know you are going to miss her. God Blessed me by letting me to know such a GREAT LADY and love her! Love Greg and Brenda Maden##imported-begin##Brenda Maden##imported-end##
