“ Mike was a dear friend of mine. I loved working with him at State Farm and having other side trips in life. I remember our western day at State Farm in the old building. We had good times and made great memories. *Vanessa Wright Gordon*

“ Terri,

I haven't seen you in years, but wanted to write to say I am sorry for the loss of your brother. I remember him from school and believe my brother, Butch, shared classes with your brother.

I pray you and your family feel the presence of the Lord around you during this time.

“ *Just an awesome person who really cared about those around him. I will always have great memories of sharing time with he and his family at Edisto Beach and the Davis' Lake House. He had a great way of always making people laugh and have fun.*
