“ Thank you Coach Anderson for one of the best years of my life. It was Such an Honor coaching Football with you. We won a lot of games in 1990, and we had so many laughs together on and off the field. You were so much Fun to be around. And such a Good Influence. I cried when I read the news. I could talk about you all night long, and I have to other people. I'm gonna miss you. I'm really gonna miss you. Todd Sanders

“ I first had the pleasure of playing ball with Jack's brother Tony at Enoree in Travelers Rest. Tony is a great guy - enjoyed the games with Tony and admired him for many reasons including the love and respect he showed for his brother. My Dad has shared some great stories about Jack, as did the late Coach 'Chico' Bolin. It was very clear that Chico and my Dad expressed a great amount of respect & admiration for Jack. A few years after playing ball with Tony I had the pleasure to compete with Jack at the Cleveland Street YMCA. He was everything that I heard he was - Great athlete and a true gentleman. Total Class Act. I am thankful for those times.

“ My thoughts and prayers are with the Anderson family! He was a very nice man and mentor to so many. I thoroughly enjoyed playing football with him as my coach. Every time I ran into him in the decades since he always had a warm smile on his face and firm handshake. Coach Anderson was always interested and concerned about the whereabouts and well being of all his former players and students. He will be dearly missed. Eric Philpot
