“ My Mother's family used to live near Jack in Nelson, GA and as children they all played together. Our parents moved to SC back in 1967 and I can remember through the years many visits by Jack. Even though I was a young child, I remember him being very nice and always stopping by when he could to see how our family was doing. My Dad owned a restaurant in the Princeton Community and said Jack had stopped in several times in the past few years. On behalf of the Totherow and Heath families, I would like to extend our prayers and deepest sympathy to Jack's family. I know if our Mother were alive she would have been there in person. Our Daddy is in South GA at this time with a brother who is in bad health. May God hold you close in the coming days and may his Grace sustain you.
