“ Can't tell you what it ment to me to spend the time we did together as neighbors and friends. Charlie. And I loved Jack very much. He was one of Charlie's best friends. And of course you know you and I will always be best friends. He will be missed but I know him and Charlie are shining down on us. Love you and Crystal and can't wait to get together soon. You know I'm here is there's anything you need. Love Sandi ❤️
