“*Bronwen and Robert and all the Family. So sorry to hear of your Dad's home going.
We have so many good memories of the early years at Northwood Hills. Your Dad and Mom were awesome. One of the special memories I have of your Dad was when you were a baby, Bronwen. During the summer we lived at the community pool. When your Dad got home He would bring you down to swim...you could paddle all around the pool before you could even walk...You could tell that was a very special time for him. I'm sure
He did the same with Robert but I didn't get to go as much later on.*

Also, I loved Vivian and she was a trooper and fought to be able to see her first Grandchild.....and your Dad was the ultimate caregiver to your Mom and loved strolling their Grandchild ...your Dad was blessed to have more grandchildren your Dad was a very Special Man amd we pray God's comfort as you go through this time of loss.

*Love and prayers,
Frank and Judy Murphy*

“ Jack was assistant manager of the department when I worked at Liberty Life. I was glad fortunate to have such a compassionate and decent boss. I left the company but often thought of him and Vivian. He once borrowed a Mumu of mine for Vivian to wear to a party. I was the only one in our office that had one that was her size. I am praying for all of you who loved him.

I'm so sorry about the death of your father. Went to First Baptist with Jack and Vivian. He was such a gentleman and so devoted to your mother who was a very sweet lady. Prayers are with you as your mother and father share in a reunion in heaven.
