“ I don't know where to start. I can remember the very first time that I met you. You made me laugh so hard that snot started coming out of my nose. You thought that was the greatest thing ever. You could light up a room with your smile, and could make anyone's day instantly better. I remember the time that you, Katy bug, and I went down in the basement and got all of the prom dresses and we tried to dress you up and you ran from us. My favorite two memories of you that I will never forget, is the time that You, Katy bug, and I went outside and we were gonna go swimming and you called me and Katy weenies because we wouldn't get in, and knowing you.. you jumped right in face first. My most favorite memory though, is when You, me, Katylyn and Annaken decided to dress up and put our hair in pig tails. Annaken even did it but you wouldn't let us touch your "luscious red hair" so you called it. You and Annaken wanted to try and paint mine and Katy's nails, and to tell you the truth, (it was horrible!!!) I miss you brother each and every day. Keep balling up in heaven, oh and tell my mama I said hi <3 R.I.P Jacob. Gone but never forgotten. Please pray for the family.

“ I have no words to describe how sorry I'm for your loss. I pray that the lord will give you comfort, in this time of need. I did not know your family personally, but the hurt I've seen in my children's hearts have connected us. I know that your Son was a great person and friend to my son Zach and daughter Kaillyn. If there's anything your family needs, feel free to call on us. For we are here for you.

“ Jacob often visited my home with John Wesley. He was such a sweet and well mannered young man. As a Mom and Grandmother my heart grieves with you. I know John Wesley is going to desperately miss his best friend. I pray that God will give you strength and comfort in the days to come. Please know that we will always consider Jacob a member of our family, and if there is anything we can do, please let us know.

*Sincere Condolences,

“ Remember how we were so bored that you, me, katy bug, and Zach went down to the park and it started raining so we got underneath that big tree? Haha, you and Zach climbed up and started talking funny so we all came up with are own little "white girl names" and started talking all weird and preppy. We kept doing it for about an hour and couldn't stop laughing. That's one memory that just popped to mind but I have so many, wish everyone could have realized how amazingly gifted you were at putting a smile on a face and making a person feel special
