Tribute Wall

“ Roseanne and Jim, both of you have been on my mind, The strength that Jaime showed in her life everyday is a tribute to the love and perseverance you showed her everyday. Jaime's vivacious way of living was a model for all those she touched. Her smile radiated throughout an entire room and her laughter was contagious. Although her life was too short she did something that so many people miss out on...she truly lived and enjoyed every experience. She will be missed. Love to all of Jaime's family and friends.##imported-begin##Cherie Taylor##imported-end##
