“ It didn't matter where I saw your Dad the post office, sale barn, home town, or if he stopped at my house to chat your father was always smiling. He was one of a kind. And he's now in Heaven with your Mom. God Bless you All.

“ Jim and Debbie, my prayers are with you. Uncle Allen was a wonderful man. I have the fondest memories of being at the auction barn when we were kids and making homemade ice cream at your mom and dad's house. Take comfort in knowing where he is and that we will see him again one day. Love, Cousin Denise

“ Sorry to hear of the passing of this sweet gentleman. I always enjoyed talking with him . He was such an amazing person. He enjoyed watching his grandson, Ryan , race and he could talk about it as if it were him on the bike. I am sure you will miss him, Jim, but to know he is once again united with your mom and sister, will bring you peace. Rejoice in the memories and look to heaven and know he is watching over you and his family here on earth. Rest In Peace, Mr. Belue , prayers for all ,Wendell & Susan Grimes

“ I will cherish fond memories of your dad. Growing up, he was always there for his neighbors-lending a hand or helping however he could. As adults, when we came home to visit, we made it a point to go across the street and “shop”. Our street was more than just a place to live - we were family. He will be greatly missed. Take comfort in knowing his legacy will live on through you and all the lives he touched. You loved him well and I know your dad was grateful he could stay home during his last days. Sending love.
