“ *My best memories of growing up are with Patty and Ricky. We were the only "kids" on Oil Camp Road and shared great times for many years. I have no words that will comfort, but the entire family is in my heart at this time. Vida Osteen Miller*

“ *Joan & James,  
You have my deepest sympathies. Ricky was truly a mess the 13 years I got to know him. He was a very special person. I always loved surprising him with information he never in a million years thought I would know. He had the dry sense of humor that always made me laugh. He will be greatly missed by many. I have lots of memories of him from the lake to bike weeks. Then of course going out to ride in the snow & so what if you couldn't quite make that turn? Just back up & move the tree with a bumper. He was one of a kind & I'm still in shock that he is gone. He's riding in heaven now with all the other bikers that have gone before him. You are in my thoughts & prayers & though it doesn't ease your pain now we will all see him again one day.*
