“ I have a vivid memory of the first time I saw Uncle Rudy. I was maybe 3 or 4 years old and spending time with Grandma. I could barely see over the window ledge when this spiffy convertible drove up with this handsome man getting out. Grandma said it was France's boyfriend. I was impressed....Grandma was not. I thought that car was the best! Well, he married Aunt Frances and we all grew to love him. May he rest in peace. As they say out here in the wild west "Vaya con dios" Uncle Rudy... We will miss you.
