

## James "Jimmy" Dobbins

October 28, 1941 - May 21, 2018

James "Jimmy" Buchanan Dobbins, 76, went to be with the Lord on Monday, May 21, 2018 at Greenville Memorial Hospital surrounded by his loving family and close friends.

Born in Union Mills, NC, he was the son of the late William A. and Esther Buchanan Dobbins. Jimmy proudly served his country in the US Army and retired from Duke Power in 1998 after 20+ years of service. He was a Mason, member of the Sam Poe Lodge #284 and Monaghan Baptist Church.

At the age of 22, he married Brenda Arrowood, whom he has loved and adored for the past 53 years. From this loving union came a daughter, Natalie Dobbins-Belt, who is definitely a "Daddy's Girl". He has a granddaughter, Catherine Ashley Belt, who loved spending every minute she could with her Papa and also twin grandsons, Brad and Blake Belt, who looked up to their Papa. Also surviving are a sister, Doris Dobbins Glance and a brother, Frank Dobbins and wife Frances.

Because of this wonderful man, his wife, daughter and grandchildren have been blessed beyond measure. Jimmy was extremely loved, respected, and appreciated by all whose lives he touched. He generously helped anyone in need even a stranger, because he never met a stranger.

Along with his parents, Jimmy was predeceased by sisters: Elouise Dobbins Hill and Evelyn Dobbins Stairs; brothers: William B. Dobbins and an infant brother who passed at birth.

Visitation will be Thursday afternoon, May 24, 2018 from 1:30 until 2:45 p.m. at the Howze Mortuary. A service will follow the visitation at 3 p.m. in The Howze Mortuary Chapel.

Burial will be at Mountain View Memorial Park.

Memorials may be made to St. Jude Tribute Program, P.O. Box 1000, Dept. 142,

Memphis, TN 38101-9908. As many of you know, Jimmy had a special place in his heart for children.

The family will be at the home of his daughter, Natalie Dobbins-Belt.

“ *It was so sad to hear of the passing of Jimmy. I've read so many post and they all say what we all feel, that he was a wonderful person and would do anything for anybody. If someone was having a crisis in their life he and Brenda were there to help you through it. The matter where you went with Jimmy he always seem to know somebody whether it was in Gatlinburg or Greenville. If you were in line somewhere he would make two or three friends while you were waiting to get into something. Very sorry for your loss Brenda and Natalie he will be missed and loved forever. I'm sorry I missed the opportunity to come to the visitation and funeral but it wasn't post to tell today, day after the services. Love to all.*

“ Brenda and Natalie,  
I am so sorry to hear about Jimmy. I am sorry I could not come to the services today, but you were and will be in my thoughts and prayers. As many have noted, he was one of a kind. The last time I saw him at the Carolina cruise in he gave JonPaul a dollar like he did so many others all the time. I am truly blessed to have known him. May God give you His peace and comfort in the days ahead.

*I did not know him. However, I felt like I knew him. He would always strike up a conversation with me when I would see him out somewhere. He was always smiling and had such a sweet disposition. There is no doubt in my mind that this man loved Jesus and will be spending eternity with Him.*

*“ Brenda and Natalie, We are so sorry to hear about James, our thoughts and prayers are with you all during this time. As many of the others have stated below, James always had a smile and a silly story or joke. I remember when we moved in to the neighborhood, I don't think we had the back of the moving van open 5 min. before James pulled up and introduced himself. He let us know a lot about our house and it's history and that he was one of the guys that helped build some of the houses in the neighborhood. When he found out that we were going to do some landscaping, he took us up to his tree/shrub lot and we purchased some wonderful flowering shrubs and a beautiful maple tree in our yard from his lot. I can't tell you how many times he shared his breakfast coupons with us or small toy for our grand daughter. He would often stop to let us know about sales or when a car show was going to be around. Not to mention how he always made his connections with the electric company to get the power restored to Hampshire Hills after an outage. He always wanted to help or simply to chat awhile. He will be missed in the community!*

“ This breaks my heart, i met him in Walmart one day and he came up to my girls and gave them both a dollar. And it seemed like everytime i was in there after that he would be too and he would always talk to me and my girls and give them a dollar. He always had a smile on his face and was seriously one of the sweetest kind hearted people i have even known. The last time i saw him he told me about his wife and kids and his love for them. I know he is going to be greatly missed by everyone, he definitely made an impact on everyone he ever met. My prayers are with the family, may God give you peace and comfort during this time. ❤️

“ Jimmy was absolutely "ONE OF A KIND"! He was ALWAYS kind, never a harsh word, always willing to help and go beyond the call of duty, an extremely hard worker, wonderful neighbor, always had a joke from his "steel trap" memory, could raise anyone's spirits, had a special place in his heart for children, spent his time spreading good cheer, loved his family and was so proud of them, and oh, so much more! If everyone could be like Jimmy, what a happier world this would be. To say there will be a void is putting it mildly. I think the best way to honor Jimmy is to try and be more like him! You just can't say that about many folks!

“ So sorry to hear about Jimmy's passing. We just visited with him a few weeks ago. I remember when our family first moved into the neighborhood. The "mayor " was there with food and offered his help. Few would be so kind. He was known for his giving to people, especially children. From toys and pork skins, to harbor freight items Jimmy was so thoughtful of many people. Our prayers and thoughts are with the family. He will certainly will be missed by his friends and neighbors.
