“ *Peggy,*

I just want you to know that I love you. You have always been so nice!

I have fond memories of spending my childhood with the Epps and McCombs families, especially Uncle Tom and Aunt Lily. Becky, Sandra and I were like triplets. We had so much fun! Your family was always so special to me!

I am sorry to hear about Mike. My husband Joe has cerebellar ataxia and his condition has deteriorated over the last several years. He can no longer walk and is in a power chair. I realize how painful it is to watch them go down hill and are helpless to do anything about it.

I'm sorry if I've said too much, but all of you are like my family and I just wanted to share my heart.

*Love in Christ,
Dottie Rhoden*
