“ Jim was our neighbor for over 20 years. You couldn't ask for a better neighbor or friend. When Gene and I got divorced and I moved out. Jim was a great friend to Gene. He has been reminiscing these last few days about how blessed his life has been because of all the help and friendship Jim offered him. I moved back in a few years ago (with Alma's encouragement <3) and there was no judgement, just love from two of the sweetest people, cutest couple, you could ever know. To know Jim was to know kindness, laughter, cleverness and Christ. We already miss him so much. He was truly one of a kind <3
