“ David was a great father brother son uncle & a great friend. He was always 1 step ahead getting a joke over on you. He was loved by so many & will be missed by all that knew him. He loved Emerson & she will never forget all that he has taught her. He still has friends from the first grade of school. He continues to be friends with them now. He married Wendy and she had 3 daughters that he gained as his girls. And the girls had friends that loved him too. He had the biggest heart and would help you in anyway he could. He was a mamas boy and wasn't afraid to tell you so. He loved his parents, brothers & hunting buddies and Cason & Corbyn He will be uncle David to them. I love you David and will miss you Love mama

“ David was a part of my older teenage years. David, Robert, and my brother William Pittman were always feeding a raccoon with fruit loops, or getting chased by raccoons. David brought so many laughs to my life. He loved life too its fullest every day. David will be missed but his memories will live forever! 💔💔💔
