

James Terry Laws

March 14, 1952 - March 8, 2021

James Terry Laws, 68, passed away at home, March 8, 2021 following a sudden illness.

Born in the Slater-Marietta community, he was the son of James Talmadge “Tab” and Alma Ledford Laws. Terry graduated from Slater-Marietta High School in 1970, The University of South Carolina in 1974 and received his Juris Doctorate from the University of South Carolina in 1977.

Those left to mourn his sudden passing include: the love of his life, his wife Meredith Chatburn Noon, two daughters: Courtnay M. Laws, who shares his love of the law and Jourdan Laws Casey (Rick Casey) who shares his love of music, along with one step-son: Connor Noon: and one grandson: James Patrick Casey.

Following his early career with larger law firms, Terry made the bold move several decades ago to establish his own law practice, and was especially proud of the fact that his daughter, Courtnay joined the firm, Laws & Laws several years ago.

Terry had a very successful career but never forgot his humble beginnings in the little close-knit community in and around the Slater mill village in northern Greenville County. Terry maintained and cherished friendships throughout his life that had begun more than sixty years ago on that storied mill hill.

Just last week, Terry participated in a memorial service for a lifelong dear friend, Gary Askew. Now he is also gone, but will not be forgotten by those who will long cherish his memory. Terry loved good food, good music, good

bourbon, and a good cigar. Those who knew him best know that he departed this earthly existence having enjoyed a life well lived.

A private memorial service will be held at a later date.

The family will be at their respective homes.

Online condolences may be expressed to the family at www.thehowzemortuary.com.

The Howze Mortuary, Travelers Rest, is in charge of the arrangements. (864-834-8051).

“ I just called the office and found out. I met Terry in 1991 when I was the youngest realtor in Greenville. He closed most of those deals in the early years and began helping me in my personal life with rental property. I am shocked to hear this. I am so lucky to have known him. Sincerely, Kim Mann

“ We were saddened to hear of Terry's passing. Terry provided legal services for my real estate business as well as other legal services. He was always willing to go the extra mile and helped greatly in establishing my LLC when first starting out in real estate. I enjoyed many conversations about how and what we were going to do to save our "struggling Gamecocks" and even in those discussions his viewpoint was very wise! I consider Terry a good friend and will miss him.

Meredith and Courtney, our thoughts and prayers are with you and your family during this difficult time!

“ I was shocked and saddened to hear of the passing of Terry. I offer m,y condolences to his family. I worked for Terry as a free-lance paralegal many years ago and still had to call him at times for my attorney to get files or advice. I pray that God gives you the strength, courage, and faith to travel this road that He has put you on. He will be missed by his colleagues, as well as his family and staff.

“ To the family of Terry Laws, I am so very sad to hear of Terry's passing. I have known Terry for many years and have great memories of him. We worked together at the Nelson, Mullins Law Firm in the late 1980's. He left in 1991 to form his own firm and I followed him as his paralegal. We worked together for 13 years and he was a good employer and friend. Please know that you all are in my thoughts and,most importantly, in my prayers.

“ Courtney:

I am shocked and saddened to hear about your dad. He helped my husband and me with all of our real estate closings; Jimmy really respected him. Will be keeping you and the rest of your family in my prayers in the coming days, weeks, and months. The hole he leaves will never close but hopefully wonderful memories will help comfort you and ease your pain over time.

“ This week has been one of disbelief for me. Terry has been my real estate attorney for my family and many of my clients for over 20 years. He was the sharpest, most capable, trustworthy, witty, charming soul - always with a good story at the closing table and a dry sense of humor. He treated my clients like family. He always greeted us in the lobby with “Good morning, folks Terry Laws. Y’all come on back. Watch your toe on that board now - I don’t want anyone to trip.” ❤️ He was so proud of his daughter Courtnay, who practices law with him. He always joked about the love of his life, Meredith, saying “I married the competition”. I feel a huge sense of loss. Courtnay and Meredith, I am lifting you and your entire family up in prayer. I am also praying for the wonderful ladies in his office, who always treat me like family as well.

“ So sad to hear this news. Terry was a friend of long standing. We worked together many years on title matters and closings. There was not a better closing lawyer in Greenville. Courteous, friendly and always eager to help, always easy to get along with. He will be sorely missed by his fellow lawyers. I will not forget him. Please accept my sympathy at this time of loss.

Terry helped us close on our first home here in Greenville, over 20 years ago, and our paths crossed again many years later after I got to know you, Meredith. I loved that Terry could hang with the approx. 100 women that would invade your home to network! He was always so gracious, with that Southern charm and sense of humor. God Bless him and hold tight to all your memories.
