“ ~ Although I never got to call you "PEEWEE" I have always thought of you as a friend, and known you guys for over 20 years ~ Working with your son Mark has taught me that a few good Parents are out there because since I have known him he has always said Yes Sir or Yes Maam while being nice to everyone he meets - After talking to Mark asking him how does he do it, and also I wanted to know out of 20 years he only missed one day of work ~ He told me that it was all due to how he was (Raised) which to means to me that his Parents did a Great Job, and unlike most families breaking apart his Parents were MARRIED for over 50 YEARS to each other ~ Wow.. Well, Mr. James Merrell you can Relax, and Rest in Peace knowing you did a Great Job as a Parent ~ I'm glad to have met you, and your Family ~ God Speed ~
