“ We loved Bruce so very much, he was a "Friend" the same person very time you seen him. He loved the Lord with all his hearts. We enjoyed being with him in the past 4 weeks in the hospital. He had a few good days when he could laugh and talk. But he always wanted us to pray with him. We loved to go to Hendersonville on Sunday to have dinner with him and Tootise. We will dearly miss him. Our hearts go out to Tootise and their children and grandchildren. And the entire family. May God give you peace knowing Bruce is in heaven with his Lord and Savior. Tootise we love you and our prayers are with you. In Christ Always, Harold and Barbara King

“ I wish I could have got to know Bruce better. As you may know, he fell only a few days before I came to Belvue to be the interim pastor. My wife and I were able to visit with him several times in the hospital, including the day before the Lord called him home. We shared together and prayed together. I know he will be missed. God bless each of you.
