“ *Dear Margaret, Sherman, Steve, Chris and David,*

*I will forever remember the sound of his high school trumpet coming down through the woods to grandma's house in the summertime. I know you all are so sad right now, but I hope a few rays of sweet memories trickle in to brighten your day just a little now and then. He was always good to us and would stop by in Myrtle Beach. He had a good take on life and I loved his laugh. We will miss him and are praying for the Lord to give you strength and comfort like only He can do.*

“ I first want to say to the family " how sorry I am for your loss" .

Chris and David the days ahead are going to hard ones but the memories you shared with your Dad can make you dad live on in heart. I want to say Thank you Danny(POP) for the time you shared with Baylei, Grace and Christy. May the memories they shared keep your spirit alive for all to see the good things you left behind.

*Mr. & Mrs. Rochester, Chris & David,*

*I worked with Dan many years at Kemco in Travelers Rest. I will always remember him for his sense of humor. Chris & David, I remember you as precious children from many years ago. My daughter, Jenny Carlton, went with your family on vacation to the beach one summer. My prayer is that the many wonderful memories you have of him will comfort you in the days that lie ahead. May God bless your family.*
