“ *We really shared a lot of childhood and high school memories. I remember his laugh!! It was deep and contagious!!! I remember he was always smiling!!!*

*We reconnected on face book and had just talked about getting together the next time I was in SC. We were going to share some oysters together at his favorite Oyster house.*

*RIP my dear friend. We will have those oysters together one day*❤️

“ Where do I begin? We grew up together and spent so much time together that it was impossible to pick just one. Going to Myrtle Beach for a week with Bobby and Rudy Chiles, four of us piling up on one sled and sledding down Mooremont hill in freezing weather. Bobby was so much fun and so full of life. I will really miss him and this one hurts God Bless Bert Burch
