“ We cannot begin to express the sadness of the loss of Svetlana's "Micher Bobby" . Although we know he touched the lives of hundreds of children over the years, he was so special to Sveta. In the few short months that he touched our daughter's life, not a day has gone by that Svetlana did not begin talking about Micher Bobby the minute we would get in the car to drive to school! She will cherish always the little bear pin he gave her in September. Mrs. Mary we love you and please find comfort that one day we all will be reunited with our loved ones in heaven##imported-begin##Chris and Kelly Roseberry (Svetlana)##imported-end##

“ *My daughter, Emily Cochran, was a new student to White Oak this year. She is in K5. Mr. Bobby was the best part of our morning. He would joke with Emily, and make us all laugh. No matter what I was feeling that morning, Mr. Bobby always made my day. I cannot tell you how much he meant to us, and he will be SO greatly missed. I'm not looking forward to care line without him. Our family will be praying for you all, especially you Ms. Mary. You are a beloved part of the White Oak family.##imported-begin##Sharon Cochran##imported-end##*

“ Mr. Bobby,
When I worked at White Oak CDC, your SMILE that you would share each day showed the love of Jesus and your encouragement to others always shined through. You always had me laughing and always your concern for others. The most thing I will always remember about you is your smile but it was Jesus who gave you that smile, and your words of encouragement in Christ. I know for sure I will see you again one day in heaven. Your testimony of Christ will never be forgotten to those that knew you. Love and prayers for your family- Joy Redman##imported-begin##Joy Redman##imported-end##
