“ *Karen, Mike and family: Warm thoughts & heartfelt sympathy are with you all. Strength, comfort & peace are my prayers during this most difficult time. I know he was a man of immeasurable character, influence - and simply, but most importantly respected & loved by those fortunate to have ever crossed his path. His life and soul on earth will last far beyond his departure. May you always feel that life touching yours - that voice speaking to you - that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, during unforgettable stories & loving memories recalled, that will never fade away.##imported-begin##Patricia Candid##imported-end##*
