“ Jim,
I don't feel that words, of any sort, could begin to comfort you during this time of devastation and loss. Especially, of a "child". Please know that you and your family are in our thoughts and prayers.

“ Carolyn and Bill you have a very special grandson. I will never forget the day Jarrod told me the connection to, it was the month after mother's funeral at a Safe Kids meeting. The love that you always showed was passed on to Jarrod. May you feel the love of our awesome Heavenly Father. Prayers for you and Bill as well as all family.
