“ Shirley, I am sorry to hear about your husband passing away. You and your family will be in my thoughts and prayers. I used to live beside you in the house the church owned when my dad was the pastor at Second Baptist Church. I live on Poplar St. now. I'm going to miss JD but he is in a better place than what we are.##imported-begin##Tracy C. Smart##imported-end##

“ To the Walters Family:
So very sorry to have read of J.D.'S death.
I was associated with him for twenty years while employed at Union Bleachery.
I had not seen him since 1985 but I still have fond memories of our working together.

“ Lori Shane Mills and Rylie, you are in my thoughts and have been every minute since yesterday. JD was a great man and a wonderful grandfather. He will be missed greatly by you and the ones who knew him. Just remember, he is in Heaven walking the steets of Glory and the place he is seeing we can only imagine. He would not come back to this awful world unless he could tell you to do everything you can to meet him there some day. I love you all very much and have you in my prayers. God will give you peace and comfort during this time. Me Maw###imported-begin##Jan Weast###imported-end##
