“ I certainly don't know where to start....you have changed my life by your Powerful Love. We have shared so many special times and for that I thank you. All the laughter and silly things that we did every day brought me so much happiness I'm not sure how I'm going to deal with not seeing you everyday or what I'm going to do with my days they have been filled with you for 7 years and now I feel lost. My big heart is broken in half like yours LOL you're half a heart has more love in it than any whole heart I've ever met before. You will always be my favorite person. I will miss you but I am so happy then finally you get to see your Joe, pop and sisters that's what you have been longing for. Momma God bless you as you have entered your new eternal life until we meet again. So long my good friend and my mama. Love you always your adopted child and your angel

“ There was never a time in my life that my sweet Aunt Jean didn't call me "her daughter". She was a precious lady. She is now with her Lord and Savior and will never suffer again. She was a blessing to many, many people. I will be praying for all of her children, (my cousins) and all of her grand children. She was always one of my favorite Aunts!
