“ *Aunt Jeannie you will be missed terribly. Words cannot begin to tell you how much you meant to our family. There are million things we already miss about you, and as for me it will be easy banana pudding that you would bake. Rodney seems to be doing okay and Erica definitely misses her Nana. rodney seems to be doing okay in air could definitely misses her nana. But I know that you'll be looking down on all of us waiting for us to come home!*

“ *Words are never enough at a time like this. But know that there are those of us that have experienced the same type of loss and we know how it can change everything. We don't always know what to say, but we understand. I am praying that you and your family will feel God's peace and that you will find comfort in that.*
