“ Jeremy was one of a kind. He was one of the wittiest people I've ever known. He was also pretty wise and caring. He will be missed. May his memory be for a blessing.

“ *Jeremy was one of my best friends through high school and after graduation. We made a lot of great memories with our travels and times together. He will be missed. I will always remember him for the funny, deep thinker, analytical, philosopher that he was. He introduced me to more music than I can count and conversations with him were always in depth but still filled with plenty of laughter. My prayers and thoughts are with his family and loved ones.*
