“ My thoughts and prayers are with Aunt Ellen, Jerri Lynn and Brian, Emmalie and Ashlyn and family. Uncle Layton was very special to me and I loved him from the time I was a little girl when Dean and I played together. He and my Dad, Junior, were close and I will never forget the fun times we had when our families got together over the years. I have wonderful memories of Uncle Layton telling stories from long ago and the way he could make my Dad laugh until happy tears streamed down his cheeks. They were best buddies and I was always happy to see Uncle Layton and Aunt Ellen pull in our driveway because I knew the next few hours together would be filled with joy and laughter. Uncle Layton will be dearly missed and to his sweet loving family I want you to know that I wish you comfort and peace in knowing that Uncle Layton is in the arms of Jesus now and I know my Dad is so happy to be with his buddy in Heaven. I love you all.

Love,

Marsha Patterson
