“ Jerry was always a bright and smiling face first thing in the morning at the TR library. I called him Sunshine. He was a fixture of the Travelers Rest community. From being involved with the Historical Society, the Crisis Center and Enoree Baptist Church. My deepest condolences go out to his family and the entire Travelers Rest community. He will be missed by so many, and the world is just a little bit darker without Sunshine.

“ I met Jerry at the TR library. He was a dignified and kind man who never hesitated to share his smile with those around him. He will be missed but we are glad to have known his gentle presence and humor.
