“ Nancy, Rick and Amy, I am so sorry for your loss. Jerry met me in the parking lot at my car on my first day of work at Mackey Mortuary and walked me into the building and assisted and guided me as I started my new career in the funeral business. I've always appreciated his help, wisdom and laughter as a college and friend. Blessings of peace to you as you go through this very difficult time.

“ I graduate High School with Jerry. He was a great band Director! Also shared many meals at Little Rebel with our High School friends each month. He came when he felt he could faithfully. Please know thoughts and prayers are with your family at this time.. I am so sorry for your loss.

“ Dear Nancy, Rick, Amy and Grandchildren, I am so sorry to hear this sad news. I very fondly remember Jerry and his big smile and infectious laugh. What a wonderful person he was. Amy and Heather (Trembley) were in elementary school through high school as close friends. I worked with Jerry on the WH Elementary PTA and got to know him as a super great man. Heaven has gained an angel. And I'm sure he'll have all the angels cheering for the Clemson Tigers!

May the Lord bless you and keep you, may the Lord make his face to shine upon you, and be gracious to you,. May the Lord lift up his countenance upon you, and give you peace.

Love, Debbie Pickens Hiller

“ *Nancy, please accept my sincerest sympathies and regards to you and your family in Jerry's passing. Although I have not seen either of you in the recent past, Jerry has always been a special friend and associate in my life as he assisted me with the opening of the Travelers Rest Office of Southern Bank & Trust Company in 1973. I will always remember his loyalty and tremendous work ethic and these days in banking were some of my fondest memories while working with him at that time.*

Please know that you and your family will be in my thoughts and prayers at this most difficult time in the days ahead.

Sincerely, David Nelson, Greer, SC

We are praying for God's strength and comfort . Many happy thoughts about your family. Jerry was always so friendly and kind. I remember so well the time I made (and dropped off) my favorite meatloaf with piquant sauce at your house , during loss of a loved one. He had said previously he really liked my meatloaf and I could fix him one at any time! 🙏

“ *Nancy,*

Remembering Jerry brings back a flood of good times together. I will never forget our trip to the beach together and Jerry complaining about not getting a good sun tan while there. The decision was made that he would ride in the back seat of my convertible on the return trip from Myrtle Beach to Greenville. He really enjoyed the cool breeze from the back seat but discovered that he had a real sun/wind burn at the end of the trip. Good Times.

Nancy, prayers and happy thoughts of wonderful memories for you and your family

“ *Having known and worked with Jerry I will always remember our talks about any and everything and his infectious laugh. Nancy I can't begin to understand how much you will miss him after 50 years of caring for each other.*

Being of the same age we often discussed common things we had encountered

during our many years and certainly our love for Clemson!

Rest assured you are in my thoughts and prayers during this time and as the future unfolds.

Nancy, I was so sad to see that Jerry had passed. You have been on my mind several times, but moreso in the last few weeks. I wasn't sure how to find you. I hoped to get together and talk about our old times on night shift at NGH, your family tree explorations trying to figure out out if we were related, as well as our children and grandchildren. Please know I am praying for you and your family during this loss.

Dear Nancy and Family. I was so broken hearted to see that Jerry had passed but I KNOW he will be marching on in Heaven. Jerry was drum major at BRHS in 1961-62 when I was head majorette and we got teased all the time because of his height and his tall drum major headgear and my lack of height. He was so nice and so much fun to be in band with and to march with. When I came back home from military service, he arranged for me to get an American flag before I would pass and could fly it myself. He always treated me with a "big brother" type caring and I always thought of him as a big, younger brother. God bless you all. Carole Wright Hughey--aka "SHAKESPEARE"

Nancy, I got to know Jerry through Don Hughes at NGJC. He and I lived in his grandmother's little house for a few months before your wedding. I sang at your wedding, I'm the tall guy on the back row with the mustache. Prayers for you and your family in this difficult time.

Jerry was the person at Mackey Mortuary that helped with my mother's funeral arrangements in November of 1995. We can remember to this day his name even though we probably have never seen him since then and how very helpful he was to us. He showed us exactly what we needed without spending lots of money. We have often thought of him when someone ask us who to ask for when they were planning a loved one's arrangements. We always appreciated the excellent care that he showed to us during a difficult time. He was a great asset to the mortuary. Our prayers are with his family.

Nancy and Family, I didn't know my wonderful cousin had passed away. I remember him handling my mother, Gladys Waldrop, so delicately when she passed away in 1996. I am so devastated to learn about this. Know you will be in thought and prayer forever. I know we haven't seen each other in a long time but love endures all things.
