“ Keith:  
Have just learned of your mother's passing.....how sad this must be for you. My warmest thoughts are with you and your family, along with prayers for comfort. I certainly understand the mixed feelings that people of faith, such as you, have ....she is, of course, in a place where there is no more pain, only joy and beauty....and yet we know the ache of separation. Please know that you and your family are lifted up in prayer and that you have my deepest sympathy.  
Love to you,  
Margaret Blackwell

“ May the Lord place a special blessing upon you (Ross) and your family and bring peace to all. Spoke with Mother (Ruth S. Talley) and Uncle Randy (Walter Randall Salter). We are all praying and feel very sad for your and your family's loss. Ms. Jo Ann was a wonderful person. Mother commented that she remembered spending the summers up there and her and Jimmy would be running the roads. Woodrow L. Talley (woody) -- (Nettie G. Salter's--Grandson).

“ May the Lord place a special blessing upon you (Ross) and your family during this rough time and bring peace to all. Woodrow L. Talley (Nettie G. Salter's Grandson). Talked with Mother (Ruth S. Talley) and Uncle Randy (Walter Randall Salter). They wanted you and your family to know that they were praying and that they are very sad for your and your family's loss. Mother was remembering the times that she spent the summers up there and her and Jimmy would be running the roads. (Woody) [nettiegalsalter@bellsouth.net](mailto:nettiegalsalter@bellsouth.net)

“*Ross, Steve and I want to tell you how saddened we are to hear of Jo Ann's passing.. She was one of the sweetest girls I knew when we were in school together. I loved her, and thought about her often. Just lately I had looked for her on Facebook and tried to find her in the Greenville News, but I had no success in this. Be comforted in knowing we will see her again. Ellen Guest Rogers and Steve Rogers*
