“*Brother Poole will always be my favorite pastor. He was a dear friend of my dad, and I know if there’s a lake in heaven they will be fishing it. When he sees my dad again, my dad will probably say “there he is “. A phrase he said every time he caught a fish, and it would irritate Bro. Poole. My thoughts and prayers are with y’all Sister Poole, Roger and Sabrina.*”

“ Joel was a very consistent and genuine example of the grace of God while we were growing up. He tried so hard to get me to Jesus. He was a true friend. I will forever be appreciative of him and his family. Although time and space prohibited contact for all these years, Joel will always be a major influencer to me.
