“*Suzie and I were so shocked to read of Mr. Styles passing. I never met Mr. Styles personally, but I had several pleasant conversations with him over the telephone and he was the nicest gentleman one could hope to talk with. I am acquainted with his son Jimmy and he is the same kind of person. Suzie and I send our heartfelt condolences to Jimmy and the rest of the family at this trying time and pray God's peace would shelter all the family in the days to come. Reg and Suzie Christopher.*

“*Carolyn and Sons, We are deeply saddened by the passing of Joel. While He was quiet and unassuming in crowds he was comfortable with private conversations and I know first hand that he was held in high esteem by his employer for his many years of faithful and honest service. We know that you will miss him but remember the good times for 50 odd years you had together and nurturing your sons thru their formative years with family growth. Be strong, have faith and go on with your lives as he would want. Our prayers are with you and your Sons.*
