“ Sorry for the loss of such good man. Long time friend from my high school years in Charleston SC. We reconnected about 5 yrs ago via Facebook. Knew he was sick & last message I sent had no response. He was writing a song for me about our fun times we shared growing up in Charleston. He is now pain free with our Heavenly Father. Now you can work on the song. When I reach the streets paved with God's love & Gold I will have you sing it for me. Rest in Peace dear sweet Tim. Noe he resides in the arms of Jesus.

“ Tim and I were great friends during our high school years and I have nothing but good memories of him. We lost contact after graduation and get back together thru FB and I am thankful for it. Tim and I have had some great conversations thru chat. I would like to thank Patricia for giving Tim the special care that he needed and offer her my most sincere condolences.
