“ Dear John:

It's been such a great honor and pleasure working with you the past few years .

When i have a flashback of our incredible days and the discovering i've experienced with you, the feeling of gratitude fills me for having the chance to know such a brilliant manager and a kind friend as you were. Your smart guiding have helped me massively throughout my career, and your warm welcoming and hospitality were quite noticed over China and in your house among your family and taken as privilege.

You will always be remembered..and will always be missed, may god rest your soul in peace .##imported-begin##Samir El Sebairi-EGYPT##imported-end##

“ *It is with great emotion that we just learned the death of John.*

I was fortunate to work with him live from 1999 to 2001, then as colleague from 2001 to 2008.

John has contributed greatly to success of Global Faucets, which benefited from his large experience of Faucets, his leadership & willingness to satisfy the customers;

Those who were lucky enough to work with him have learned a lot. He created a “Can do” spirit in Beijing.

Please accept our sincere condolences##imported-begin##Gérard MATHIEU##imported-end##

“ *My deepest sympathy towards John's family.*

I used to work with John in Beijing and we became very good friends. We were planning on visiting him in the states next year... We are shocked and still can't believe this...

It would be much appreciated if anyone could let us know what happened to him. I only talked to him before Christmas and he was picking up the girls at the airport...##imported-begin##Lilia Wu & Richard Shaw##imported-end##
