“ *It was always a pleasure to share a conversation with John when we had occasion to visit the family - always reflected God's love and ready to share amusing stories and his knowledge of different vehicles. We will all miss him this side of Glory - see you there John, and our continued love to the entire family. Bob & Pat Jones*

“ *Thank you for sharing John with us at Shepherd's Care. He was a wonderful man who left a lasting impression on us all. His endearing smile and kind words were a constant around here. He was blessed to have a wonderful family like you. You came to visit him a lot and that says so much about you. We were fortunate to be a part of the Curtis family, even for a little while. In Heaven, John will be our brother forever.*
We love you family.
