“ So sorry, I'd never be able to cover all of Johns goodness. He loved his family and friends sincerely. Was exceptional in his devotion and love and cared for Helene right up till the end, without complaint. They both willenly served as alter servers, for many years at Precious Blood church, here at Pawleys Island, and always displayed their love for all and everyone. They were like newlyweds, in their affection for one another. Thanksgiving, and Christmas was open to us and anyone else in their path. I especially loved Johns prayer and knocking on the door tradition. All was respected and appreciated, and we were honored to be a part of this family. Love is eternal, and John and Helene will live in our hearts forever. Love and Prayers Rosemary and Harry
