“ *John and Troya, I don't remember much about my cousin but what I do remember was how he liked to do fun things for us like once he took us to do doughnuts in the old scout up by the old barn. We all screamed and laughed and Johnny loved it. He also had a twisted sister and Ozzy Osborne poster over his bed and I thought he was a cool cousin to have. Always had a smile for me whenever I would see him around. Family ties run deep. I love y'all*

“ Johnny Red was a good friend to us. We have missed seeing him over the years. Although he is with Jesus now, he will forever live on in the fun memories we shared with him. When Austin and Graci were little, I would take the Christmas toys up to him that needed to be put together and he would wait until they fell asleep and bring them to me and Vicki to put under the tree. We all loved him very much and he had such a good heart. We will always remember his sweet smile. Our prayers are with y'all. -Christy McCombs and Austin and Scott McKinney

“ John, Troya and David,

*I will always remember how strong and brave Johnny was. I remember how cool his room looked growing up with his posters and music. He was rough with David at times as a big brother but I remember on a couple instances he would be the first to take up for him. I told my kids about how he threw a can of coke through 2 school bus windows and hit the person picking on us. It was awesome! I think all the cousins were a little tougher thanks to Johnny. I am so sorry for your loss.*
