“ Dear Dean,
I am so sorry to learn of your Mother's passing. Your mother and Aunt Joyce have been constant and faithful friends to our family. My Nanny loved you, your Mama and Joyce so much. She would keep me posted on where you were and what was going on with the family. She made sure we knew that her wishes were that Johnnie Mae and Joyce would sit with the family at her funeral because they were so dear to all of us. And, I made sure there were two seats for them. I actually asked someone to get up and move because space was limited under the tent. That's what Nanny wanted. Your Mama was a good, good friend. She always called Nanny and checked in on her. She would make sure Nanny got the first mess of greens each season they could find, because she knew she loved them.

I am so very sorry. As you may know, I lost my Mama just weeks after Nanny's passing 4 years ago. My heart goes out to you at this time. I pray you, and all your Mama's precious loved ones feel God's comfort in all the "firsts" you'll have in the coming year.

Please know you are in our prayers.

With Deepest Sympathy,
Robin Barrett Hand

“ Dear Dean - It is a sad time for all of us to date in 2013 - particularly for you in losing your Mother. It a sad time for anyone to lose ones Mother as I well remember when I lost mine over 65 years ago when I was only 14. I know it must be with a heavy heart you have to say goodbye.

Daphne and I send to you and the family our most sincere condolences and sympathy, And hope these few words can in some way sustain and comfort you at this sad time with the knowledge that your friends thoughts and prayers are with you.

Very sadly, John & Daphne Hoffen
