“ *My Uncle Johnny - All my life I have always known him to be a kind, soft spoken, tender hearted & loving man. He stuck to himself would never hurt anyone but would help everyone he could. He was a man that didn't have much money, expensive cars nor did I ever know him to even go on vacation but those things did not matter to him. What did matter to him was his girlfriend Annette who he loved and treated her like a Princess. He also loved his family immensely. I never once saw my Uncle Johnny without him hugging me. He will forever be loved, missed and remembered. Go rest now Uncle Johnny and enjoy your heavenly rewards.*
