“ I miss you my friend. We would both be early to the office on Mondays. He would tell me about his weekend. The pride of his family and the time they spent together was the most important thing to him He would just have a big smile on his face as he told the stories. I will miss our Monday mornings.

Glenn Turner was a dear friend to all the kids who knew him, in Hawaii, Manana Housing.

Going to the hill, swimming at the pool, just hanging out all over our housing streets is what us kids did.

He was also our neighborhood paper boy. Still remember him throwing the newspaper on our driveway as he peddled away on his bike, like it was yesterday.

We all shared some of best child memories. We will cherish them forever ❤️.

So very heart broken to hear of his passing. My prayers are to his precious family and especially his beautiful wife.

May the amazing memories you shared help keep you strong during this incredibly difficult time. Much love coming your way for all.

Sincerely, Ivonne G. 🥺❤️🙏

I had the pleasure of working side by side with Glenn this last year and a half adventure of opening up a new office. He was a great inspiration to me and he will be greatly missed. We shared many hours together and became very close. We shared so many stories and had many laughs on our journey together. I looked up to him a great deal and he taught me many things; not just about work but life lessons as well. He was one of the most humble and calm people I have ever known. I have not only lost a co-worker and great manager, but a member of my extended family. My heart goes out to his entire family at this time, as I can not begin to imagine the pain you are feeling during this difficult time. He loved each and everyone of you and spoke great things of all of you each and every day. I know that as his family, you were his #1! You will all be in my thoughts and prayers.
