“*I really did not know Johnny that long, as I met him through David a year ago. The time that I did know him, I thought alot of him, he was a caring person. David thought the world of him and I know will miss him very much. I am very sorry for your loss. I know the pain of losing a sibling. I have lost a sister and a brother. I carry them with me in spirit and I'm sure you will too. However, I don't think it natural for a mother to out live a child. I am truely sorry for your loss Ruth. I know you will miss him deeply every time you look out your door as he was always a few steps away. I don't think the pain will ever get easy, we just have to put our faith in God and he will give us the strength to carry on.*

The bible says he will never leave you nor forsake you. He is a "presence" in the time of trouble. Johnny is at peace now, and would want each of you to be at peace too.###imported-begin###Patti Dallas###imported-end##
