“ I just wanted to express my sorrow in the loss of Don. I worked with him at Overhead Door and loved him very much. His laughter and jokes always made my days. He will truly be missed. But he is where he's wanted to be now, with his loving wife. He missed her so. Don was a wonderful man and I am truly sorry for your loss. May God bless each and everyone of you. He will be forever missed.##imported-begin##Tammy McCall##imported-end##

“ I am very sorry to hear of the recent passing of Don. I worked with Don in the early 1980's at Overhead Door. I was young and knew nothing of how to install doors. Don had a tough exterior but helped me few times when nobody was looking just so I would avoid embarrassment. I'll always remember his catch phrase "Youngans!" when someone young made a mistake (which was often!). I have never forgotten Don and am saddened by his passing. My thoughts and prayers are with his friends and family.

God Bless,

“ Don was one of my 3 mentors at New Liberty. He taught me more about serving God not out of obligation but out of love for God and those around you. He always told me one day i hope you get around and have to try and lead and teach boys like me well his wish came true over the years several times over. Don was a man who lived out his love and faith and a man who touched my life deeply. All of you have my love and prayers during this time. And i will be there because i know he would at anytime have done the same for me. I will miss my mentor and my friend Don.##imported-begin##Terry Dale Smith##imported-end##
