“ Our darling sweet Joshua, you are so loved. And will be greatly missed. A blessing given us, that we will cherish always. Everytime I close my eyes I see you, Hailey, Ashley, Jesse and AJ. Y'all grew up together, lived together. I remember Ashley always messing her hair up in the car on the way to school in the mornings, we would have to get onto her for it, and you finally said, "leave her alone, she's beautiful no matter how messy her hair is. " I remember the little love letters y'all wrote to each other that I'm certain your mom still has. Y'all had your moments but y'all were always there for each other no matter what. We didn't have to share DNA to be family. Love made us family. Our love and prayers are with the family and loved ones. We love you so very very much Josh. You will forever be in our hearts and minds. Till we see you again my sweet nephew.
