“ I miss you so much aunt Joyce. Nathan does too. It's just not the same here without you and mema and grams. I wish I could remember more about you and growing up but I'll never forget your laugh and all the love you had for us kids. Rest easy, and don't watch too hard over me please ❤️☀️

“ My nanny was the strongest person I know. She has been through so much pain and suffering in her lifetime. She had a heart of gold and she loved her family and friends unconditionally. I smile at the thought of her finally making it home and never having to suffer again.

Joyce was more like a sister to me than an aunt. She was there for me many times when my kids were young. I will always remember her as a best friend to my mother, and having unconditional love for everyone. I will always love and miss you very much Aunt Joyce.
