“ Mrs. Joyce was just with us at our little Heartstrings work day last Wednesday, July 5. Even though she had been having some health issues, SHE CAME. She told us she wasn't missing it. I'm so glad we shared that afternoon with her and that we texted for several days after, and she was sending us recipes.

From the first time I went to Heartstrings in 2014, Mrs. Joyce welcomed me and encouraged me. She encouraged everyone. She knew her Scriptures, and she was always pouring into all of us. She was a wise saint, and she will be very much missed at our gatherings. ❤️

I know that she lost her son, Jim, many years ago. Now they are reunited in the presence of Jesus. ❤️

I know Mrs. Joyce heard these words:

'Well done, good and faithful servant. You have been faithful over a little; I will set you over much. Enter into the joy of your master.'
Matthew 25:21 ESV

Go Rest High, Mrs. Joyce. Thank you for always showing us Jesus. We'll see you soon. 💙❤️🌈✝️

“Joyce was my mother in law but treated me always as if I was a daughter. She was the matriarch of our family and the glue that held us together. Joyce was the most amazing grandmother and my children were so blessed by her. She was such a huge part of our life. We already miss her so much! I am so grateful to her for so many things. I know she is celebrating her homecoming with Jesus and grandad.

“ Joyce was a pure joy to know. Her love of the Lord was always front and center. She encouraged and prayed for me many times over the years and she provided a wonderful example for me of how to depend on the Lord during difficult times. Her hands were never idle, and I'm certain she is currently busy in Heaven serving the Lord however she may. We miss her, but know we will see her again.

“ There are so many memories with my precious grandmother. My favorite memory with her is making egg sandwiches and getting our trays ready to sit out on the porch. We sat on her porch overlooking her beautiful yard. She prayed for us and I always loved how she would pray to the Lord before each meal. We sat on the porch just smiling at one another enjoying our delicious sandwiches my grandmother made. (She made the BEST egg sandwiches) I loved my quality time with her just laughing and seeing that beautiful smile. She always made me feel safe & happy. This day was extra special because she was so helpful with advice when it came to adulting, she gave me so much great advice that has helped me to this day. She is my biggest blessing and I will continue to take her advice with me everyday.

“ I remember living in New York when I was a child (less than 6) and grandmother came to visit. I remember playing some version of hide and seek or tag, but I thought grandmother was "old" so she couldn't catch me, and I believe I said something similar to her. So she tricked me and ran after me one time and got me. My little self was so impressed and thought she couldn't be old because she was faster than me. She was always so good with children.
